

Positive Leadership for Active Alaska Youth

Education is Everything. Learn to Make a Difference.

PLAAY is an initiative of the Alaska Sports Hall of Fame. The PLAAY Summit and PLAAY Day help community leaders better work with Alaska's youth to emphasize physical activity in addressing health and wellness.

PLAAY DAY

PLAAY Day

The goal is to get thousands of Alaska children jumping, running, and dancing — all at once. PLAAY Day is Alaska's first simultaneous student physical activity event!

PLAAY Summit

Featuring a slate of field experts from around the state, the PLAAY Summit provides teachers, parents, nurses, coaches, administrators and other leaders of youth with a conference to address the many areas of adolescent health.
